## Chrysalis & Another Way Presents:

*Roberta Angela  
Dee's Haven*

### *Commentary by Roberta Angela Dee*

The opinions expressed in Roberta Angela Dee's Haven are those of the author and may not reflect the views of the Another Way and TGGuide.com administrators.

Roberta Angela Dee is a gender-defined woman who lives in Augusta, GA. She has been writing on gender issues for the past 30 years. Her credits include several novels for Reluctant Press. Some of you know Roberta through her erotica that appears on-line at The Gay Café Library, or through her columns for TG Forum. Ms. Dee is openly bisexual and asserts that she is a woman -- not as a result of surgery, but because being a woman is the essence of her heart, mind, and soul. Ms. Dee also wrote a column for the now defunct newspaper titled The Transvestian. Comments for Ms. Dee may be directed to her e-mail address: [Send Mail](#)
