60. **ROBERTA: A LESBIAN TRANSSEXUAL** By Roberta Angela Dee. \$7.00.
My move from the city was to begin a new life. I had always wanted to be a sexy

lady, and had decided that Long Island was as good a place as any to begin my rebirth. Becoming a lady, however, was not as easy as I had imagined. Three months of experimentation and practice produced very few results, if any at all. If Lolita had the desire, she could become a valuable source of knowledge. I had no idea, however, what would motivate her to be my friend. And if I told her of my intentions, how would she react to me? Would she shrug me off as some confused homosexual, call me a pervert, or would she possibly understand my deep desire and commitment to become a woman. One thing was certain: I would never know, unless I asked. This is an X-rated story about Roberta's efforts to learn how to be a woman by asking for help from lesbian mistresses called Lolita and Tanya.

187. **ROBERTA DEE: TS GIRLFRIEND** By Roberta Angela Dee. \$7.00. Michael and Belinda Dee have been married for 7 years. During their sixth year of marriage, Belinda discovers that Michael has been cross-dressing. Although Michael cross-dresses, he is also a male chauvinist, regarding his attitude towards women and particularly his wife. One year later, Belinda's hidden personality, that of a dominant woman, emerges, and Belinda forces Michael to become Roberta. Rated (X)

220. THE BUSINESS OF BEING A WOMAN By Roberta Angela Dee. \$7.00. Robert had always thought of himself as a woman. His family inability to handle the problem results in him being send away to college.In college Robert meets a girlfriend that teaches him the real meaning of womanhood, and helps Robert become the woman of his dreams Roberta.(X)

261. SASHA, by Roberta Angela Dee \$10.00 Experienced transgenderist Roberta Dee (Roberta: A Lesbian Transsexual, Roberta Dee: TS Girlfriend, The Business of Being a Woman) delves into the shadowy area between fantasy and reality with her new work, Sasha. This story about transsexualism provides us with an engaging and sometimes controversial correspondence between Roberta, an American, and Sasha, a British expatriate.

Sasha is a preoperative transsexual entering her first year of womanhood. Her hard-hitting discussion of her new life and Roberta's reactions to what she has to say will fascinate many of our readers, while perhaps inflaming a few - depending on whether or not one wishes to hear about the reality of life, as an emerging woman. Although considerable "TS machismo" is expressed between the writer and Sasha, the final truth rests with the definition of "woman." A surprising twist at the end will shock you.

And look for ROBERTA & REN ... a love story about a M->F and a F->M TG couple.
