Roberta Angela Dee has been found dead at her home. She slashed her wrists. Her suicide note says she killed herself as a direct result of the constant abuse and harassment she received in the trans newsgroups. Hope you all can live with yourselves after what you did.

ANYBODY disappears for a short time, and somebody will say they're dead ... especially with a goodbye message.

I swear, if "RAD" didn't already exist, these groups would have had to invent her.

Or, as legendary television exec Grant 'Emmy' Lear once quipped, "ObedientFemme -- don't cast a situation comedy without one."

To which Garry Marshall replied, "That's right, norman shouldn't tinker with a winning formula."

Prompting Carl Reiner to philosophize, "Aaa, you've seen one Van Dyke you've seen 'em all."

Leaving Mary to simply whimper, "Oh-wo-wo-ohh Rrro-o-o-b."
